No. KEIL/SM/2018/9

Date - 4.9.2018

The District Collector  
Civil Station, Kakkanad  
Ernakulam

Sir,

Sub: - Disposal of Non - biodegradable materials spoiled due to flood water

Ref: - KEIL Letter No. KEIL/SM/2018/8 dated 30.8.2018 addressed to Executive Director, Suchitwa Mission, Govt of Kerala

Kindly refer the discussion we had in your chambers on 3.9.2018 on the subject along with representatives of Schitwa Mission and Haritha Keralam.

As a social commitment to mitigate the hardship of flood affected persons, KEIL wishes to offer a further reduction of 10% on the earlier offered rates of Rs 1691/- per Metric Ton of waste brought for disposal in the secured landfill.. The revised rates are given below:

1. Disposal charges for non biodegradable waste	Rs 1522 per Metric ton
2. GST @ 18%	Rs 274 per Metric ton
3. Total	Rs 1796 per Metric ton

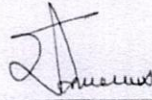

As a special case the stabilization/pretreatment charges and Membership fee are waived as communicated earlier. The special disposal rate offered as above will be applicable only for the waste due to the recent flood. The LSG bodies may kindly be advised to fill up the Manifest documents while bringing waste to KEIL. The Manifest in FORM 10 as per pollution Control Board norms will be made available by KEIL. The LSG

bodies may kindly be advised to arrange for loading and transportation in tipper vehicles for ease of unloading at the landfill. The invoice towards disposal charges will be sent to the respective local self government bodies for settlement.

Thanking you,

Yours faithfully,  
For Kerala Enviro Infrastructure Ltd
