Current Personal Achievement :

I have joined in Palakkad on 05.08.2017. The main activities undergone as as given below

- The first E-waste collection drive in Palakkad district was carried out in hand- in-hand Co-Ordination with the Clean Kerala Company.
- The first anniversary of the Harithakeralam Mission was celebrated in Palakkad and an exhibition for general awareness was conducted. Also the total work of the year was printed and issued in the form of a book.

- Special initiation and frequent review meetings were held for the implementation and starting of M.C.F and R.R.F in Municipalities, Block Panchayats and Grama Panchayats .
- A total of 3 general awareness exhibitions were conducted.
- The vast melas of Palakkad which includes Saras and malabar Crafts mela witnessed a green protocol revolution; may be the first time in Palakkad District. As part of I.E.C special ecobins made of bamboo, uniforms for sanitation workers, cloth bags, tags, leaflets etc.were supplied.The ecobins used for the Malabar Crafts Mela were reused in the Sara mela and got a great attention from the public. Special classes for the sanitation workers were given. With the help of Palakkad municipality sanitation issues were diverted from the mela site and was a great success.
- Special initiations ,meetings ,leaflet distribution, issue of appreciation certificates etc were carried out on behalf of making religious functions of palakkad greenary reducing the use of plastics and disposiblesand was effective and special news reports were given
- Green protocol trainings as per the direction of Ministry were carried out effectively for all the nodal officers in Palakkad and the follow-up is going on
- Special activities and awareness camps were conducted on the basis of Grama Swaraj Abhiyan. This includes rallies, leaflet distribution, awareness camps, wall writings, cleaning focused areas etc.
- Activities regarding Arogya jagratha and Jagratholsavam were carried effectively .Time to time core committee meetings were conducted.pre monsoon campaign leaflets were distributed. Review meeting of backward panchayats were conducted. Special focus on open dumpyard diversion were given. Initiative effort and follow up given on Jagratholsavam
- As a part of Arogyajagratha special meetings were conducted with scrap merchants association and initiated the special collection drive in Palakkad.An action plan was also formulated.
- Great achievement was accomplished by forming harithakarmasena groups in all grama panchayats and municipalities.
- A special spot collection of scraps were initiated in ministerial anniversary celebration site
- Manual Scavengers survey camps with much stress on publicity were conducted in 4 parts of Palakkad which could be completed in time and forwarded to the National Safai Karmachari Foundation New Delhi on time.
- A special effort on the promotion of usage of cloth bags, paper pens with seed inside made by differentially abled persons were done.
- Supporting awards were given to the people who have taken keen effort in cleaning drive and green protocol implementation.
- Initiatives were taken to clear off the flood waste accumulated in different areas of Palakkad in Co- Ordination with Clean Kerala Company.
